

Will May be a more fashionable month than April?

Not sure that can be true after the successful April 2024 Wade fashion show - organised by Sue English and the Friends of Wade. What a show and a superb fund raiser – raising over £1,000 for Wade. Thank you to Travelling Trends who put on the show for us and The Rose Inn for the drinks.

However, what is true is that in this month's newsletter you'll find a great update from one of our newest trustees – Sallyanne. You'll also find our May menus for lunches and activity and if you look hard enough on the back page there is a handy summary of why we want you all to come to Wade even more over the coming months.

Trustee News: From Sallyanne Streatham

This month there is a spring in our step at Wade after our very successful Open Day, organised by Sandy Sweet, where we officially opened our newly decorated lounges.

Open Day News- It was great to be able to share and show all our guests the improvements we'd made and to help them get a better sense of what we do at Wade and how we feel it would benefit so many more members in the future.

It was a day to remember with a vast number of different guests celebrating with us. We welcomed Mr. Andrew Try, The King's Berkshire Representative who cut the ribbon to the new lounges. We had current and future Wokingham Mayors, as well as prominent MPs and council representatives. We also saw NHS staff and members of other charities keen to see what we are doing. We also had a cool cake!

Trustee Update continued....
