

## That's a wrap !!

So, another year has past and what a busy fun year it has been. If there is something to celebrate, we celebrate it at Wade. December seems to have been one big party. Our Christmas Fair was a big success, and we thank everyone who donated unwanted gifts and everyone that came and supported us. Our last celebration in December was our Christmas Lunch which as usual was a great event enjoyed by all. The team all pulled together to make sure the day ran smoothly from the set up of furniture to the decorating of the tables and of course, the fabulous food served up. We have in amongst the busy schedule managed to have had a couple of quiet afternoons where we have shut the curtains and sat down with a cup of tea, piece of cake and enjoyed a good Christmas movie especially White Christmas where we all joined in spontaneously with the singing.

Moving into next year we will continue with all our usual and favourite activities, but we are always thinking of new things to try so watch this space. If you do have any ideas, you would like us to try at Wade don't be shy let us know we are always up for new ideas.
